

Major Plan.  
**The simple truth.**

**BONIFICATION**  
**Refund for dental fee**  
**associated with COVID-19**

Octobre 2020

Since the beginning of COVID-19, Major Plan has remained proactive in dealing with the different realities experienced by students.

We know that the vast majority of dental offices now charge dental services for additional costs related to COVID-19 during consultations. For this reason, Major Plan is moving forward to offer its members an enhancement to the plan for the special fees charged by dental offices.

**Retroactive to September 1, the procedure codes associated with the fees related to COVID-19 are now 50% covered. They are included in the same dental maximum as the dental expense code to which they relate.**

Please note that this plan enhancement does not result in any additional fees to your current contribution.

This measure is effective retroactive to September 1, 2020 and we invite you to submit a claim for reimbursement by email to [reclamation@planmajor.ca](mailto:reclamation@planmajor.ca).

If you have any questions, our support team is available to assist you by phone at 1-877-975-2567 or by email at [etudiant@planmajor.ca](mailto:etudiant@planmajor.ca).
