Authorization and declaration

I declare that my dependent spouse meets the following conditions:

- a person united to the member of the student association by legal marriage, civil union or any other type of formal union recognized by law;
- a person who has been cohabiting for at least 12 consecutive months and designated as a de facto union in the "Declaration of Marital Status" on a government form, and who has not been separated for 90 days or more due to the breakdown of their union;
- a person who is living in a conjugal relationship with the student, who has had a child with the student and who has not been separated from the student for 90 days or more due to a breakdown in their relationship.

I declare that my dependent children meet the following conditions:

- be over 24 hours and under 21 years of age, be single and not working more than 20 hours per week, and be dependent on the member or the member's spouse for support;
- be between the ages of 21 and 25 inclusively, attend a recognized educational institution and be registered as a full-time student.

I understand that after age 21, proof of full-time school attendance is required to add your child to the coverage and that it remains active.

I confirm that, at the time of submitting my form, I have the documents proving the status of my dependents and/or my spouse, and that I can provide them to Major Plan. Major Plan reserves the right to verify and validate these documents at any time.

I understand that I will have 10 days to provide the documents required by the insurer and that if the conditions are not met, the coverage of my family members may be deactivated **without the possibility of a premium refund. Any refunds received for claims must be returned to Major Plan.**

I understand that in the event I cancel the extension of coverage and/or the addition of dependents after submitting my payment, Major Plan may deduct \$40 from my refund as an administration fee.

I understand that payment must be received no later than 10 days following confirmation by the Major Plan team and before the end of the modification period. I understand that failure to send my payment within these deadlines will result in the cancellation of my application without any possibility of review.

I understand that if I lose my student status or coverage, my dependents automatically lose their coverage with no possibility of reimbursement.
